

In this session, you will reflect on what you have learned and how you feel about your library.

1. Your Reading Champion will ask you the following questions. Put your hand up after each question if your answer is yes!

- Do you feel more excited about reading now than before you started taking part in the reading group?
- Do you feel confident going into the library and choosing a book?
- Do you know the difference between a fiction and a non-fiction book?
- Do you have a favourite book?

If your group is quite small, you could ask everyone with their hand up for this question to say what his/her favourite book is and tell the group what he/she liked about it.

2. You have completed lots of different activities during the reading group sessions. Which activity has been your favourite? Take it in turns to share your ideas with the group.

3. Write a sentence describing how you feel about reading, or tell a partner how you feel about reading.

4. Did you tell the people you live with about the library and the reading group? What do they think about it? Take it in turns to tell the group.

5. Look around the library. Ask everyone to choose a book they would like to read. Pass around a sheet of paper and ask everyone to write down the titles of the books they have chosen. Now you have a list of books to read and talk about together in future sessions!

6. Draw a picture of yourselves in your library. You could use lots of different colours!

You could choose your favourite pictures and put them up on the walls of your library! You could also draw your picture on a chalkboard or whiteboard or talk about your favourite library memories instead.
